Overall Eye Health

Eye Score

This represents the overall health and quality of your eye

Great Condition

74%

Eye Strain

Assesses tiredness or overuse of the eyes. Bright, relaxed eyes show low strain; heavy or dull eyes may indicate fatigue or stress.

Moderate

5/10

Eye Health Breakdown

Cataract Risk

Checks for cloudiness in the pupil area. Clear pupils are ideal, while any haze may suggest early signs of cataract development.

Clear

9/10

Redness & Blood Vessels

Checks for cloudiness in the pupil area. Clear pupils are ideal, while any haze may suggest early signs of cataract development.

Mild

7/10

Iris Health

Evaluates the iris for vibrant color, even pigment, and defined patterns. A dull or uneven iris may reflect tiredness or reduced eye health.

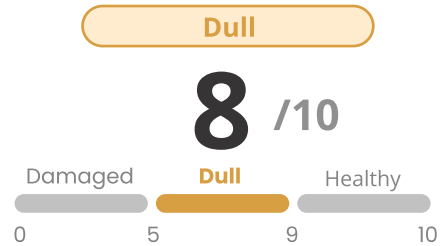

Excellent

9/10

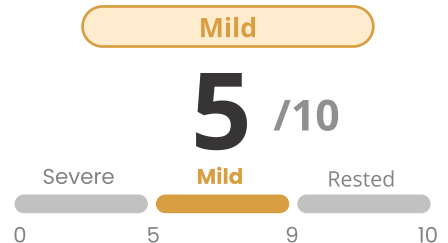

Overall Eye Health

This score is based on the assessments you've completed. Offering a clear snapshot of your current health and fitness. Use it to track progress and target areas for improvement.

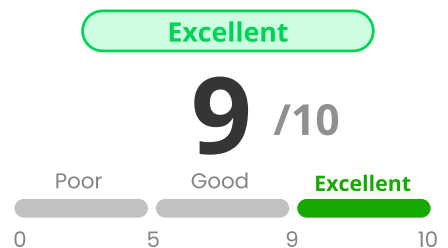

Eye Strain & Fatigue

Assesses tiredness or overuse of the eyes. Bright, relaxed eyes show low strain; heavy or dull eyes may indicate fatigue or stress.

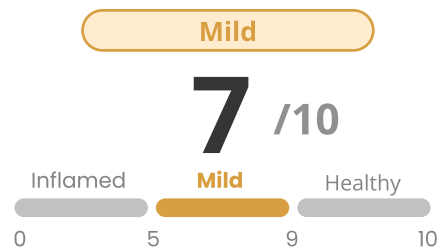

Eye Symmetry

Analyzes if pupils are round and equal in size. Symmetrical, evenly shaped pupils are healthy; differences may signal a need for further check-up.

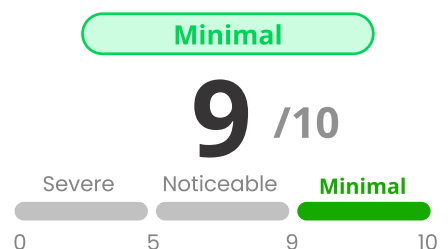

Eye Membrane Health

Examines the conjunctiva for redness or swelling. Healthy membranes are smooth and pink; irritation may signal inflammation or allergies.

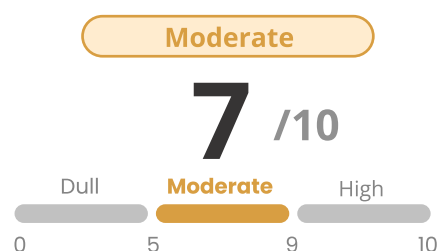

Pupil Health

Analyzes if pupils are round and equal in size. Symmetrical, evenly shaped pupils are healthy; differences may signal a need for further check-up.

Eye Moisture

This score is based on the assessments you've completed. Offering a clear snapshot of your current health and fitness. Use it to track progress and target areas for improvement.

ⓘ Disclaimer

This assessment is only indicative and not necessarily a direct representation of your risk. This report is not diagnostic. If you have any concerns, then please seek guidance from a medical professional who may conduct a physical examination and conduct further diagnostic test as required.
